

## Level electrode Ent 220

### - self-monitoring

#### TECHNICAL DATA:

Ordering number: 13-401000  
20 mm (3/4") connection  
32 bar pressure rating  
238°C max. temp.  
Electrode of stainless steel  
to SS 2346  
Electrode housing of  
stainless steel to SS 2346  
Insulator 1 of PTFE,  
insulator 2 of Gylon  
4-pole GDM connector for  
electrical connections  
Electrode cap of stainless  
steel to SS 2346  
Please specify the  
electrode length  
in the order
